A successful payment in the amount of 190.00 USD was charged to your card ending with 8885 on 6 April, 2018.

You have paid a non-refundable visa application processing fee required to schedule a visa appointment. This charge will appear on the cardholder's statement as "CSC*US EMBASSY MRV FEE". As noted in the [Visa Application Fee Terms and Conditions](#), this fee is not refundable. If the cardholder attempts to falsely report that the transaction was fraudulent and requests a chargeback of the application fee, the US Embassy will be informed of the same. This may result in cancellation of any visas already issued.

S vaše kartice koja završava s 8885 uspješno je izvršena uplata u iznosu od 190.00 USD na dan 6 travanj, 2018.

Platili ste nepovratnu naknadu za obradu zahtjeva za vizu potrebnu za zakazivanje termina za vizu. Naknada će se pojaviti na izvodu vlasnika kartice kao „CSC*US EMBASSY MRV FEE“. Kako je navedeno u [Uvjetima i odredbama naknade za zahtjev za vizu](#), naknada je nepovratna. Ako vlasnik kartice pokuša lažno prijaviti da je transakcija bila neovlaštena i zatraži povrat naknade za zahtjev, Ambasada SAD-a o tome će biti obaviještena. Zbog toga bi se već izdane vize mogle poništiti.
