Are you on academic/social probation at any other college? ☐ Yes ☒ No

Have you ever been convicted of a felony? ☐ Yes ☒ No

Is English your first language? ☐ Yes ☒ No

If you answered yes to either or both of the questions, please provide details and dates on a separate sheet of paper

APPLICANT STATEMENT AND SIGNATURE

By signing below, I agree that all information provided in my application and registration is true and complete to the best of my knowledge. I understand that if I am accepted, the discovery of any false information provided may be grounds for revocation of admission and registration and financial aid.

I recognize it is my responsibility to request all transcripts in a timely manner to facilitate my application. I understand that Harrisburg University is a laptop community and I will take appropriate measures to obtain a laptop as required by my program.

BY SIGNING BELOW, I ALSO UNDERSTAND AND VERIFY THAT:

- The Graduate CPT Program is an academic program requiring mandatory CPT participation.
- I am required to personally interview for each internship position and will do so with a positive and professional attitude. Internships will not be pre-arranged.
- The length of time to obtain an internship will depend on my skills, English abilities, previous work experience, ambition and attitude.
- There is no regulatory limit on the length of time a student may engage in CPT. However, if I choose to be employed in full-time CPT for 12 months or more, I may not be allowed to apply for Optional Practical Training (OPT) after I graduate.
- No promises or explanations regarding the Graduate CPT Program have been made to me by persons or agents representing Harrisburg University of Science and Technology that are inconsistent with the above conditions.

International Graduate Application Checklist

1. **Application**
2. **Goal Statement** | Provide information on future educational goals and/or objectives and their relationship to pursuing graduate work at Harrisburg University. Describe examples of your leadership experience in which you have significantly influenced others, helped resolve disputes, or contributed to group efforts over time. (Statement should be at least one type-written page in length or 200+ words.)
3. **Degree Certificates & Transcripts** | Foreign transcripts should be evaluated by a Harrisburg University approved international credentialing service, such as WES (World Education Services) or ECE (Educational Credential Evaluators).
4. **Two Letters of Recommendation** | Letters should be from individuals able to comment on the applicant's academic proficiency, personal character, competence and effectiveness in professional work.
5. **Professional Resume**
6. **Proof of English Proficiency** | TOEFL score of 79 iBT, IELTS score of 6.0, PTE score of 54 or demonstrated proficiency by approved academic proficiency, personal character, competence and effectiveness in professional work.
7. **Copy of Passport** | Transfer students are also required to provide a copy of their Visa, I-54 and current I-20.
8. **Financial Support** | Bank statement of \$26,500 USD & affidavit of support if applicable.

Goal Statement – Masters of Science in Analytics

All through my life, as far as I can remember, I was always numerically inclined and possessed a natural aptitude for analytical thinking. It started with mathematics and physics competition in grammar school, excelling in math and related classes in high school, and continued through studying Business Administration with specialization in Finance as my major at university and extending my curiosity into the grad school field of financial engineering while doing my undergraduate studies. However, it wasn't until I started engaging in the "real" world experience through my internship and later full time position that I truly realized that my passion and skills lie in combining data driven analysis and decision making with business strategies. In order to pursue this path, I find Harrisburg University Masters in Analytics program crucial factor in my future.

Since the beginning I have been in the finance industry. I started interning for a high frequency trading firm in Chicago and later moved to a foreign currency broker in New York. For the last two years I had a chance to work in different parts of the business that exposed me to variety of circumstances where analytical thinking and data driven strategies were crucial for business success. I started from more technology side in Quality Assurance Analyst role where I was first introduced to databases and SQL, moved to Financial Analyst role where I had an opportunity to combine my analytical background with newly acquired database knowledge, and later moved to compliance where I was on a daily basis analyzing data to support different business strategies pertaining to regulatory matters and improving business processes to assure adherence to laws and regulations.

When I first stepped into the role of Financial Analyst was when I got an opportunity to take charge and fix an important issue for the firm that has been dragging along for a long time. Besides my other responsibilities, my daily task was profit and loss reconciliation. This is an extremely important task for any company, even more trading firm where things happen at the speed of light and processes are prone to mistakes that can have great impact on the bottom line. I soon came to realize that the internal P&L and reconciliation process had a number of deficiencies. The issue started from data integrity to incorrect reference data to calculation itself. Once I identified issues through data analysis I kicked off the project, compiled the plan and solution, and through team work with individual responsible for database and developers, we have resolved the issues. This project greatly impacted the strategic decision making and ultimately the confidence of traders knowing that now they can daily rely on accurate data.

Through my work I realized the ever growing volume of structured and unstructured data available nowadays and the importance of it in almost any part of the business or stage of the projects I work on. I also realized my limitations in capturing insights with skills I currently poses and opportunities that lie ahead in understanding the trading data and customer information and being able to utilize it effectively and strategically to add value to the company I work for. Harrisburg University can give me the necessary tools to grow in my current role and one day in the future form a business unit with the company that will specialize in business intelligence and provide data driven analysis on different type of projects.

May 27th, 2015

Admissions Office

Harrisburg University of Science and Technology

326 Market Street

Harrisburg, PA 17101

To Whom It May Concern,

I am pleased to write a letter of recommendation for Iva Jurkovic as a candidate for Harrisburg University's graduate program for a Master of Science in Analytics. I have worked with Iva as her manager at Forex Capital Markets.

As a recent graduate, Iva's performance exceeded that of an incoming graduate student. She took over the responsibilities of an employee with 10 years of experience at Forex Capital Markets and did an excellent job. She was a great asset to the department as a candidate with her skillsets are difficult to find. She has practical experience and extensive knowledge in finance, analytics, and technology. She often dealt with analyzing trading data, setting up and automating reporting and monitoring processes, and answering regulatory technology related inquiries. Iva has exceptional written and verbal communication skills, is extremely organized, reliable, and hardworking.

From day one, Iva always demonstrated the desire to learn new things. Therefore, I assure you Iva would be a dedicated student and a competent professional. I recommend her very highly and without reservation. If you have any further questions in regards to her background or qualifications, please do not hesitate to contact me.

Sincerely,

Sebastian Oh

Vice President, Compliance

Examinations and Audits

June 2, 2015

TO WHOM IT MAY CONCERN:

I am writing this letter of recommendation on the behalf of Ms. Iva Jurkovic. Ms. Jurkovic was one of the best students I have ever had at the Stuart School of Business at Illinois Institute of Technology. I have had the pleasure of teaching Ms. Jurkovic in two undergraduate Finance courses: International Finance, and Advanced Corporate Finance. In these courses we covered international finance applications to corporate finance, risk management and exchange rate determination. We have even covered several types of "technical" FX trading strategies.

Ms. Jurkovic is also took an MS Finance course from me: Statistical Analysis in Financial Markets. The course starts with basic statistics and ends up with financial econometrics and time series analysis. Ms. Jurkovic earned a strong "A" in the course. She has strong quantitative skills and has worked well within project teams. She has outstanding written and verbal communications skills as well.

But I offer praise to Iva Jurkovic for more than just her academic excellence. I have also been impressed with her professionalism, insight and communications skills in classroom discussions. She comes across as a confident and articulate scholar. I believe that Ms. Jurkovic has great potential as a thinker and a leader in the career that is before her.

The analytics profession benefits from having people like Iva Jurkovic working in it. I think she will embrace the rigor and competition that your Master's program offers. I have great confidence that Ms. Jurkovic will become an outstanding contributor to your program and a huge success in industry afterward.

If you have any other questions about my relationship with Ms. Iva Jurkovic, please contact me at 312-906-6552, or email me at gchaudo@stuart.iit.edu.

Sincerely yours,

Gregory S. Chaudoin, FRM
Instructor of Finance

Affidavit of Support for International Students at Harrisburg Area Community College

Instructions for Completing Affidavit of Support:

1. Students who support themselves financially during their studies are not required to complete this form. However, they must provide a bank statement showing financial resources available to meet the estimated annual expenses.
2. This form is to be completed by the person(s) who will be providing financial or other support to a student at the college. If there is more than one sponsor, each sponsor must complete an Affidavit of Support.
3. **The form must be thoroughly completed and in English.**
4. The sponsor(s) must complete **ALL** sections on the form. **Any section left unanswered could result in refusal of the I-20.**
5. Sponsors should be aware that students are only permitted to work in limited circumstances with prior approval from the Designated School Official. **Students are ONLY eligible to work on a HACC campus and work is not guaranteed.**
6. All documents may be mailed or emailed in Adobe PDF format to International Admissions at iadmissn@hacc.edu. Additional information or original documents may be required in order to verify a student or sponsor's ability to fund studies. All original forms and documents will be required by the student at the time of visa application/interview.
7. To make a stronger visa application, it is highly recommended for a sponsor to provide employment verification along with their affidavit. If you choose to include employment verification, please send along a letter on your employer's company letterhead stating your date of hire, nature of employment and the salary paid.
8. Sponsors in the United States must have this form notarized. If a sponsor is from a country outside the U.S., the document does not need to be signed by a notary public but we recommend an official bank stamp where available.
9. Sponsors who plan on providing free room and board must also submit the supplemental Affidavit of Support for Providing Free Room and Board.
10. **A bank statement which is less than 6 months old must be attached to the affidavit of support showing the present balance of the account in US Dollars.**

(Answer all items: Please print in block letter and in ink.)

Accreditation

All seven City Colleges of Chicago (CCC) are accredited by the Higher Learning Commission and are members of the North Central Association of Colleges and Schools. CCC is also approved by the Illinois Community College Board. For further information, please visit www.ccc.edu.

Academic Calendar

CCC operates under a semester calendar. The academic calendar is divided into two 16-week semesters (Fall and Spring) and an 8-week Summer term.

Grading System

| Grade | Description | Grade Points |
|-------|---------------------|--------------|
| A | Excellent | 4 |
| B | Good | 3 |
| C | Average | 2 |
| D | Minimum Passing | 1 |
| F | Failure | 0 |
| S (F) | Satisfactory (Fail) | 0 |

Graduation Grade Point Average (college level coursework)

Graduation Grade Point Average (GRAD-GPA) is calculated on the basis of all credit hours and grades, "A" through "F", earned while enrolled in the Credit Career at the City Colleges of Chicago with the following exceptions: 1) All credit hours and grades earned in Allowed Repeatable Courses appear on the permanent academic record and transcript, but only the last credit hours and grades earned in an ARC repeat sequence up to the allowable maximum are included in the GRAD-GPA, and 2) All credit hours and grades earned in Other Repeated Courses appear on the permanent academic record and transcript, but only the last grade earned is included in the GRAD-GPA. Transfer Credit (including Military Credit), Credit by Assessment, and Credit by Test are excluded from the GRAD-GPA, although such credits appear on the transcript and may apply towards graduation. Credit hours and grades earned in pre-college level (remedial) coursework are excluded from the GRAD-GPA, although such credits appear on the permanent academic record and transcript.

Cumulative Grade Point Average (includes pre-college level coursework)

Cumulative Grade Point Average (CUM-GPA) is calculated the same way as GRAD-GPA, but includes credit hours and grades earned in pre-college level (remedial) coursework.

Non-Grade Designations (excluded from the GPA calculation)

AUD Audited course; Grade Points = 0
ADW Administrative withdrawal. Effective Fall 1982 through Summer 1988, ADW hours were included in GPA calculations as an "F" grade.

WTH Student-initiated withdrawal

I Effective Summer 1998, a grade of "I" (incomplete) becomes an "F" unless the necessary missing requirements are fulfilled prior to mid-term of the following term. The change becomes effective at the end of the next term.

Symbols and Remarks

ARCx Allowed Repeatable Course; x = maximum number of times the course may be repeated for inclusion in GPA calculations (see below).

IAI The Illinois Articulation Initiative (IAI) indicates coursework that is transferable to any IAI affiliated college or university in the State of Illinois.

* No credit towards degree.

Transfer Credit Detail

Transfer Credit Detail includes Transfer Credit, Credit by Assessment, and Credit by Test. These credits are accepted in accordance with CCC policy, are shown on the transcript, but are not included in GPA calculations. Transfer Credits are credits earned at another institution, including military. Credit by Assessment and Credit by Test are credits granted for college-level knowledge and skills acquired outside the classroom; no letter grade is assigned.

Allowed Repeatable Courses (ARC)

Designated courses where the course number remains the same, but the course content changes each term (for example, art, music, physical education, student newspaper, etc.). All credit hours and grades earned appear on the transcript, but only the last credit hours and grades earned in an ARC repeat sequence up to the allowable maximum are included in GPA calculations.

Other Repeated Courses

Students who earn a "D" or "F" grade in a course may repeat the course. Students who earn a grade of "C" or better in a course may repeat the course once. All credit hours and grades earned appear on the transcript, but only the last grade earned is included in GPA calculations.

Graduation Requirements

To be eligible to graduate from any credit degree or certificate program, students must earn a grade of "C" or better in all courses used to satisfy core curriculum and/or general education requirements and hold a minimum GRAD-GPA of 2.0 or higher. Elective courses with a "D" final grade may count towards graduation. Students who graduated prior to August 1, 2013 must hold either a minimum GRAD-GPA or CUM-GPA of 2.0 or higher.

In accordance with the Family Education Rights and Privacy Act (FERPA) of 1974, this document may not be released to a third party without the written consent of the student.

Please read Instructions on Page 2

This page must be completed and signed in the U.S. by a designated school official.

SEVIS

Form I-797A (Rev. 10/01/05)

PLEASE TEAR OFF FORM I-94 PRINTED BELOW, AND STAPLE TO ORIGINAL I-94 IF AVAILABLE

The figure consists of 12 small diagrams arranged in a vertical column, each representing a step in a bubble sort process on an array of 10 numbers: 10, 9, 8, 7, 6, 5, 4, 3, 2, 1. The diagrams show the progression of the sort, with numbers being compared and swapped as they 'bubble' towards the end of the array. The final state shows the array sorted in ascending order: 1, 2, 3, 4, 5, 6, 7, 8, 9, 10.
