INSTRUCTIONS TO DESIGNATED SCHOOL OFFICIALS

1. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact or using any false document in the submission of this form. Designated school officials should consult regulations pertaining to the issuance of Form I-20 A-B at 8 CFR 214.3(k) before completing this form. Failure to comply with these regulations may result in the withdrawal of the school approval for attendance by foreign students by the Immigration and Naturalization Service (8 CFR 214.4).

2. ISSUANCE OF FORM I-20 A-B. Designated school officials may issue a Form I-20 A-B to a student who fits into one of the following categories, if the student has been accepted for full-time attendance at the institution: a) a prospective F-1 nonimmigrant student; b) an F-1 transfer student; c) an F-1 student advancing to a higher educational level at the same institution; d) an out of status student seeking reinstatement. The form may also be issued to the dependent spouse or child of an F-1 student for securing entry into the United States.

When issuing a Form I-20 A-B, designated school officials should complete the student's admission number whenever possible to ensure proper data entry and record keeping.

3. ENDORSEMENT OF PAGE 3 FOR REENTRY. Designated school officials may endorse page 3 of the Form I-20 A-B for reentry if the student and/or the F-2 dependents is to leave the United States temporarily. This should be done only when the information on the Form I-20 remains unchanged. If there have been substantial changes in item 4, 5, 7, or 8, a new Form I-20 A-B should be issued.

4. REPORTING REQUIREMENT. Designated school officials should always forward the top page of the form I-20 A-B to the INS data processing center at P.O. Box 140, London, Kentucky 40741 for data entry except when the form is issued to an F-1 student for initial entry or reentry into the United States, or for reinstatement to student status. (Requests for reinstatement should be sent to the Immigration and Naturalization Service district office having jurisdiction over the student's temporary residence in this country.)

The INS data processing center will return this top page to the issuing school for disposal after data entry and microfilming.

5. CERTIFICATION. Designated school officials should certify on the bottom part of page 1 of this form that the Form I-20 A-B is completed and issued in accordance with the pertinent regulations. The designated school official should remove the carbon sheet from the completed and signed Form I-20 A-B before forwarding it to the student.

6. ADMISSION RECORDS. Since the Immigration and Naturalization Service may request information concerning the student's immigration status for various reasons, designated school officials should retain all evidence which shows the scholastic ability and financial status on which admission was based, until the school has reported the student's termination of studies to the Immigration and Naturalization Service.

INSTRUCTIONS TO STUDENTS

1. Student Certification. You should read everything on this page carefully and be sure that you understand the terms and conditions concerning your admission and stay in the United States as a nonimmigrant student before you sign the student certification on the bottom part of page 1. **The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.**

2. ADMISSION. A nonimmigrant student may be admitted for duration of status. This means that you are authorized to stay in the United States for the entire length of time during which you are enrolled as a full-time student in an educational program and any period of authorized practical training plus sixty days. While in the United States, you must maintain a valid foreign passport unless you are exempt from passport requirements.

You may continue from one educational level to another, such as progressing from high school to a bachelor's program or a bachelor's program to a master's program, etc., simply by invoking the procedures for school transfers.

3. SCHOOL. For initial admission, you must attend the school specified on your visa. If you have a Form I-20 A-B from more than one school, it is important to have the name of the school you intend to attend specified on your visa by presenting a Form I-20 A-B from that school to the visa issuing consular officer. Failure to attend the specified school will result in the loss of your student status and subject you to deportation.

4. REENTRY. A nonimmigrant student may be readmitted after a temporary absence of five months or less from the United States, if the student is otherwise admissible. You may be readmitted by presenting a valid foreign passport, a valid visa, and either a new Form I-20 A-B or a page 3 of the Form I-20 A-B (the I-20 ID Copy) properly endorsed for reentry if the information on the I-20 form is current.

5. TRANSFER. A nonimmigrant student is permitted to transfer to a different school provided the transfer procedure is followed. To transfer schools, you should first notify the school you are attending of the intent to transfer, then obtain a Form I-20 A-B from the school you intend to attend. Transfer will be effected only if you return the Form I-20 A-B to the designated school official within 15 days of beginning attendance at the new school. The designated school official will then report the transfer to the Immigration and Naturalization Service.

6. EXTENSION OF STAY. If you cannot complete the educational program after having been in student status for longer than the anticipated length of the program plus a grace period in a single educational level, or for more than eight consecutive years, you must apply for extension of stay. An application for extension of stay on a Form I-538 should be filed with the Immigration and Naturalization Service district office having jurisdiction over your school at least 15 days but no more than 60 days before the expiration of your authorized stay.

7. EMPLOYMENT. As an F-1 student, you are not permitted to work off campus or to engage in business without specific employment authorization. After your first year in F-1 student status, you may apply for employment authorization on Form I-538 based on financial needs arising after receiving student status, or the need to obtain practical training.

8. Notice of Address. If you move, you must submit a notice within 10 days of the change of address to the Immigration and Naturalization Service. (Form AR-11 is available at any INS office.)

9. Arrival/Departure. When you leave the United States, you must surrender your Form I-94 Departure Record. Please see back side of Form I-94 for detailed instructions. You do not have to turn in the I-94 if you are visiting Canada, Mexico, or adjacent islands other than Cuba for less than 30 days.

10. Financial Support. You must demonstrate that you are financially able to support yourself for the entire period of stay in the United States while pursuing a full course of study. You are required to attach documentary evidence of means of support.

11. Authorization to Release Information by School. To comply with requests from the United States Immigration & Naturalization Service for information concerning your immigration status, you are required to give authorization to the named school to release such information from your records. The school will provide the Service your name, country of birth, current address, and any other information on a regular basis or upon request.

12. Penalty. To maintain your nonimmigrant student status, you must be enrolled as a full-time student at the school you are authorized to attend. You may engage in employment only when you have received permission to work. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.
